In This Issue

Briarwood Neighborhood Watch

Even in a quiet neighborhood like Briarwood, you can still be at risk of facing a crime. Early detection is the best way to prevent the onset of bigger problems. Paying attention to small details can help prevent larger issues down the road.

Neighborhood Watch is a program offered by the Council Bluffs Police Department Community Services Section. The program promotes:

- Developing a neighborhood where people care about & help each other
- Getting to know your neighbors
- Establishing a sense of belonging

What Can Neighbors Do?

Neighbors can report unusual incidents to law enforcement. Always keep emergency numbers handy so you can quickly report any suspicious activity or emergency. When calling be sure to give the reason for the call and the location. Be on the lookout for:

- Someone looking into building windows and/or parked car windows
- Unusual noises, screaming, shouting
- Anyone being forced into a vehicle
- Property being taken out of a house where no one is home
- Cars, vans, trucks moving slowly with no apparent destination, or without lights

The above Neighborhood Watch information is provided by C. B. Police Officer Mark Elonich, a Briarwood owner. Questions?? markelonich@gmail.com
